

# Bowls RoarFest Youth Open July 26-28, 2024

Bowls Alberta Head Coaches and the Calgary Lawn Bowling club are preparing to welcome youth and young adults ages 14-25 for an inaugural and unique three-day, prized filled, youth competition!

**RoarFest** was created with input from youth players and coaches across Canada to ensure the event provides intense competition, player development, and great camaraderie!

Registration fees will be \$50 per player and all fees will go back as prize money along with donated and sponsorship funds. We have two sponsors so far and are working on more...help out if you can!

Register as a pairs team, or individually; regardless of gender, or provincial home; by age category; and into either a “Development” or “Competition” (High Performance) category. “Development” may have played at a Bowls Canada Youth Championship, but never won a medal. All players are guaranteed 11 games in total! The number of registered teams and players will determine the formats of the games.

**Singles** Four games per player (two 7 end sets with 1.5 hour limit)  
PLUS one playoff game on the final day.

**Pairs** Four games (10 ends, three bowls, with 1.5 hour limit)  
PLUS two playoff games per team on the final day.

Please send along all recommendations, questions, and interest to participate via the [RoarFest website](#). We'll post updates on this website and request expressions of interest and eventually open a link for registrations. Please help spread the word and help make this a great youth centered exciting event!

**Together we'll continue to grow our sport and celebrate champions!**
